Status

The Executive Compensation and Option Committee (the “Committee”) is a committee of the Board of Directors of Mack-Cali Realty Corporation (the “Company”).

Membership

The Committee shall consist of three or more directors all of whom, in the judgment of the Board of Directors, shall be independent. The members of the Committee shall be considered independent if they meet the independence requirements under Section 303A.02 of the Listed Company Manual of the New York Stock Exchange (the “NYSE”), Section 10C(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations of the Securities and Exchange Commission (the “Commission”). In addition, a person may serve on the Committee only if the Board of Directors determines that he or she: (i) is a “Non-employee Director” for purposes of Rule 16b-3 under the Exchange Act; and (ii) satisfies the requirements of an “outside director” for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended.

Members of the Committee shall be appointed by the Board of Directors and may be removed by the Board in its discretion. The Committee shall have the authority to delegate any of its responsibilities to subcommittees as the Committee may deem appropriate, provided any such subcommittee is composed entirely of independent directors as defined under the listing standards of the NYSE.

Meetings

The Committee shall meet as often as its members deem necessary to perform the Committee’s responsibilities, but shall not meet less than twice per year. The Committee may meet in person or telephonically and at such times and places as the Committee shall determine. The Committee shall make regular reports to the Board regarding the activities of the Committee.

Purpose

The primary purposes of the Committee are (i) to assist the Board of Directors in discharging its responsibilities in respect of compensation of the Company’s Chief Executive Officer (CEO), (ii) to discuss with the CEO the compensation of other senior executives; (iii) to review and administer the Company’s compensation and benefit programs and (iv) to produce an annual report on executive compensation for inclusion in the Company’s annual proxy statement or annual report that complies with the rules and regulations of the Commission.

Duties and Responsibilities

The Committee is responsible for (i) establishing and reviewing annual and long-term corporate goals and objectives relevant to compensation of the Company's CEO; (ii) evaluating the performance of the CEO in light of the approved performance goals and objectives; (iii) having sole authority to determine and approve the compensation level of the CEO based upon the evaluation of the performance of the CEO; and (iv) to review with the CEO compensation of the other executive officers and make recommendations to the Board of Directors with respect to non-CEO executive officer compensation. In determining the long-term incentive component of the CEO's compensation, the Committee shall consider the Company's performance and relative shareholder return, the value of similar incentive awards to CEOs at comparable companies and the awards given to the Company's CEO in past years.

The Committee's additional functions are:

- to make recommendations to the Board of Directors with respect to non-CEO compensation, incentive-based compensation plans and equity-based plans;
- to establish criteria for the granting of options and other equity compensation to the CEO, and to review with the CEO the criteria for the granting of options and other equity compensation to the other executive officers and other employees and review and approve the granting of options and other equity compensation in accordance with such criteria;
- to review director compensation levels and practices, and recommend, from time to time, changes in such compensation levels and practices to the Board;
- to review periodically the Company's compensation practices and compare them, relative to corporate performance, with those of other similar businesses; and
- to perform any other activities consistent with this Charter, the Company's by-laws and governing law as the Committee or the Board deems appropriate.

Performance Evaluation

The Committee shall conduct an annual performance evaluation of itself. **Committee Resources**

The Committee shall have the authority to obtain advice and assistance from internal or external legal, accounting, financial or other advisors (each, an "Advisor"). Without limiting the foregoing, the Committee shall have the authority, to the extent it deems necessary or appropriate, to retain a compensation consultant to assist in the evaluation of director or CEO

compensation, or to review with the CEO compensation of the other executive officers. The Committee shall have sole authority to retain and terminate any such consulting firm, including sole authority to approve the firm's fees and other terms of retention. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to any consulting firm or other advisors employed by the Committee.

In retaining or seeking advice from any Advisor, the Committee must take into consideration the following factors:

- The provision of other services to the Company by the Advisor;
- The amount of fees received from the Company by the Advisor as a percentage of the total revenue of the Advisor;
- The policies and procedures of the Advisor that are designed to prevent conflicts of interest;
- Any business or personal relationship of the Advisor with a member of the Committee;
- Any securities of the Company owned by the Advisor; and
- Any business or personal relationship of the Advisor with an executive officer of the Company.

The Committee may retain, or receive advice from, any Advisor it prefers, including ones that are not independent, after considering the specified factors. The Committee is not required to assess the independence of any Advisor that acts in a role limited to consulting on any broad-based plan that does not discriminate in scope, terms or operation in favor of executive officers or directors and that is generally available to all salaried employees or providing information that is not customized for a particular company or that is customized based on parameters that are not developed by the Advisor, and about which the Advisor does not provide advice.

The Committee shall evaluate whether any compensation consultant retained or to be retained by it has any conflict of interest in accordance with Item 407(e)(3)(iv) of Regulation S-K.

Committee Charter

The Committee shall review at least annually the adequacy of this Charter and recommend any changes to the Board for approval. This Charter shall be made available on the Company's website.
