PROXY STATEMENT

General Information

This Proxy Statement is furnished to stockholders of Mack-Cali Realty Corporation, a Maryland corporation (the "Company"), in connection with the solicitation by the Board of Directors of the Company (the "Board of Directors") of proxies in the accompanying form for use in voting at the Annual Meeting of Stockholders of the Company (the "Annual Meeting") to be held at Harborside 3, 210 Hudson Street, 7th Floor, Jersey City, New Jersey 07311 on Wednesday, June 13, 2018 at 12:00 p.m., local time, and any adjournment or postponement thereof.

This Proxy Statement, the Notice of Annual Meeting of Stockholders and the accompanying proxy card are first being mailed to the Company's stockholders on or about May 2, 2018.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON JUNE 13, 2018.

This Proxy Statement, the Notice of Annual Meeting of Stockholders and Our Annual Report to Stockholders are available at <http://investors.mack-cali.com/sec-filings>

Solicitation and Voting Procedures

Solicitation. The solicitation of proxies will be conducted by mail, and the Company will bear all attendant costs. These costs will include the expense of preparing and mailing proxy materials for the Annual Meeting and reimbursements paid to brokerage firms and others for their expenses incurred in forwarding solicitation material regarding the Annual Meeting to beneficial owners of the Company's common stock, par value \$.01 per share (the "Common Stock"). The Company intends to use the services of MacKenzie Partners, Inc., 105 Madison Avenue, 14th Floor, New York, New York 10016, in soliciting proxies and, in such event, the Company expects to pay an amount not to exceed \$10,000, plus out-of-pocket expenses, for such services. The Company may conduct further solicitation personally, telephonically, electronically or by facsimile through its officers, directors and regular employees, none of whom would receive additional compensation for assisting with the solicitation.

Householding of Proxy Materials. In accordance with a notice sent previously to beneficial owners holding shares in street name (for example, through a bank, broker or other holder of record) who share a single address with other similar holders, only one Annual Report and Proxy Statement is being sent to that address unless contrary instructions were received from any stockholder at that address. This practice, known as "householding," is designed to reduce printing and postage costs. Any of such beneficial owners may discontinue householding by writing to the address or calling the telephone number provided for such purpose by their holder of record. Any such stockholder may also request prompt delivery of a copy of the Annual Report or Proxy Statement by contacting the Company at (732) 590-1010 or by writing to Gary T. Wagner, General Counsel and Secretary, Mack-Cali Realty Corporation, Harborside 3, 210 Hudson Street, Ste. 400, Jersey City, New Jersey 07311. Other beneficial owners holding shares in street name may be able to initiate householding if their holder of record has chosen to offer such service, by following the instructions provided by the record holder.

Voting. Stockholders of record may authorize the proxies named in the enclosed proxy card to vote their shares of Common Stock in the following manner:

- by mail, by marking the enclosed proxy card, signing and dating it, and returning it in the postage-paid envelope provided;

- by telephone, by dialing the toll-free telephone number indicated on the proxy card that you received in the mail with this proxy statement, within the United States or Canada, and following the instructions. Stockholders voting by telephone need not return the proxy card; and
- through the internet, by accessing the World Wide Web site indicated on the proxy card that you received in the mail with this proxy statement. Stockholders voting by the internet need not return the proxy card.

Revocability of Proxies. Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is exercised in the same manner in which it was given or by delivering to Gary T. Wagner, General Counsel and Secretary, Mack-Cali Realty Corporation, Harborside 3, 210 Hudson Street, Ste. 400, Jersey City, New Jersey 07311, a written notice of revocation or a properly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person.

Voting Procedure. The presence at the Annual Meeting of a majority of the outstanding shares of Common Stock, represented either in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. The close of business on April 3, 2018 has been fixed as the record date (the "Record Date") for determining the holders of shares of Common Stock entitled to notice of and to vote at the Annual Meeting. Each share of Common Stock outstanding on the Record Date is entitled to one vote on all matters, and there are no cumulative voting rights. As of the Record Date, there were 90,135,433 shares of Common Stock outstanding. Under Maryland law, stockholders will not have appraisal or similar rights in connection with any proposal set forth in this Proxy Statement.

Stockholder votes will be tabulated by the persons appointed by the Board of Directors to act as inspectors of election for the Annual Meeting. Shares represented by a properly executed and delivered proxy will be voted at the Annual Meeting and, when instructions have been given by the stockholder, will be voted in accordance with those instructions. If a properly executed and delivered proxy does not provide instructions, then the shares represented by that proxy will be voted FOR the election of each of the ten nominees for director named below, FOR the advisory approval of executive compensation, and FOR the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm.

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record that you must follow in order to vote your shares. If your shares are not registered in your own name and you plan to vote your shares in person at the Annual Meeting, you should contact your broker or agent to obtain a broker's proxy card and bring it with you to the Annual Meeting in order to vote. Under New York Stock Exchange (the "NYSE") Rules, the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent auditors, as set forth in Proposal No. 3, is considered a "discretionary" item. This means that brokerage firms may vote in their discretion on Proposal No. 3 on behalf of beneficial owners who have not furnished a properly executed proxy card or delivered voting instructions to their broker at least ten days before the date of the Annual Meeting. In contrast, the election of directors as set forth in Proposal No. 1 and the advisory vote to approve executive compensation as set forth in Proposal No. 2 are considered non-discretionary items. This means that brokerage firms that have not received a properly executed proxy card or voting instructions from their clients may not vote on behalf of their clients with respect to Proposal Nos. 1 and 2.

These so called "broker non-votes" will be included in the calculation of the number of votes considered to be present at the meeting for purposes of determining a quorum, but will not be included in the total of votes cast for the election of directors or the advisory vote for approval of executive compensation. Abstentions will be counted as present for purposes of determining the presence of a quorum but will have no effect on the outcome of the matters covered by Proposal Nos. 1 and 2.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

The Board of Directors presently consists of ten members as follows: Alan S. Bernikow, Michael J. DeMarco, Kenneth M. Duberstein, Nathan Gantcher, William L. Mack, David S. Mack, Alan G. Philibosian, Irvin D. Reid, Rebecca Robertson and Vincent Tese. On March 14, 2018, the Board of Directors adopted a resolution increasing the size of the Board of Directors from nine to ten members and appointing Michael J. DeMarco, our Chief Executive Officer, to the Board, to serve until the Annual Meeting and until his successor is elected or appointed and qualifies or until his earlier resignation or removal. At the Annual Meeting, the terms of all ten current members of the Board of Directors will expire. Accordingly, stockholders will elect ten directors at the Annual Meeting. The directors who are elected at the Annual Meeting will serve until the annual meeting of stockholders to be held in 2019 and until such directors' respective successors are elected or appointed and qualify or until any such director's earlier resignation or removal. The Board of Directors, acting upon the unanimous recommendation of its Nominating and Corporate Governance Committee, has nominated Alan S. Bernikow, Michael J. DeMarco, Kenneth M. Duberstein, Nathan Gantcher, William L. Mack, David S. Mack, Alan G. Philibosian, Irvin D. Reid, Rebecca Robertson and Vincent Tese, for election

as directors at the Annual Meeting, each of whom has agreed to serve if elected. In the event any nominee is unable or unwilling to serve as a director at the time of the Annual Meeting, the proxies may be voted for the balance of those nominees named and for any substitute nominee designated by the present Board of Directors or the proxy holders to fill such vacancy or for the balance of those nominees named without nomination of a substitute, or the size of the Board of Directors may be reduced in accordance with the bylaws of the Company.

On March 14, 2018, the Board of Directors adopted the Second Amended and Restated Bylaws of the Company, which amend the Company's previous bylaws to provide for a majority voting standard pursuant to which each director nominee, in an uncontested election of directors, must be elected by a majority of the votes cast (in other words, the number of votes cast "for" the nominee must exceed the number of votes cast "against" that nominee). A plurality vote has been retained only for contested elections. If a director does not receive the requisite majority vote in an uncontested election, he or she will be required to tender his or her resignation for the consideration by the Nominating and Corporate Governance Committee of the Board of Directors. See "Policies Relating to the Election of Directors."

Certain Relationships and Related Transactions

Mack Agreement. In connection with the Company's combination with The Mack Company in December 1997, William L. Mack, Mitchell E. Hersh and Earle I. Mack were appointed to the Company's Board of Directors. Pursuant to an agreement (the "Mack Agreement") entered into between the Company and members of the Mack Group (as defined below) in connection with the Company's combination with The Mack Company, if any of Messrs. W. Mack, D. Mack or Hersh shall withdraw from the Board of Directors for any reason during their terms, the members of the Mack Group are entitled to designate their successors. The "Mack Group" includes William L. Mack, chairman of the Board of Directors, David S. Mack, director, Earle I. Mack, a former director of the Company, and Frederic Mack, a member of the Advisory Board of the Company. Effective January 15, 2004, Earle I. Mack resigned from the Board of Directors. Pursuant to the terms of the Mack Agreement, the Mack Group designated David S. Mack as the successor to Earle I. Mack's seat on the Board of Directors, and effective January 15, 2004, David S. Mack was appointed by the Board of Directors to fill Earle I. Mack's seat on the Board of Directors for the remainder of its term and was re-elected to the Board of Directors both at the 2005 Annual Meeting, the 2008 Annual Meeting, the 2011 Annual Meeting and the 2014 Annual Meeting. In addition, for as long as members of the Mack Group maintain at least the "Mack Significant Interest" (as defined below), the Mack Group has the right to re-nominate, and the Company will support, Messrs. W. Mack and D. Mack (or their successors) for re-election to the Board of Directors for successive terms upon the expiration of each term. The Mack Group has not yet determined whether in future years it will seek to nominate someone for the third board seat to which it is entitled that was vacated in 2015 by Mr. Hersh in connection with his separation from the Company. The Mack Group elected not to exercise this right in connection with the Annual Meeting. "Mack Significant Interest" means legal and beneficial ownership, in the aggregate, of not less than 3,174,603 shares of Common Stock and/or Units by Earle I. Mack, David S. Mack, Frederic Mack and William L. Mack, subject to certain restrictions and to adjustment for stock splits and other customary and similar stock dilutions.

Tax Protection Agreements. Through February 2016, the Company could not dispose of or distribute certain of its properties which were originally contributed by certain unrelated common unitholders of the Operating Partnership, without the express written consent of such common unitholders except in a manner which would not result in recognition of any built-in-gain (which may result in an income tax liability) or which reimbursed the appropriate specific common unitholders for the tax consequences of the recognition of such built-in-gains (collectively, the "Property Lock-Ups"). The aforementioned restrictions did not apply in the event that the Company sold all of its properties or in connection with a sale transaction which the Company's Board of Directors determined was reasonably necessary to satisfy a material monetary default on any unsecured debt, judgment or liability of the Company or to cure any material monetary default on any mortgage secured by a property. The Property Lock-Ups expired in February 2016.

Upon the expiration of the Property Lock-Ups, the Company is generally required to use commercially reasonable efforts to prevent any sale, transfer or other disposition of the subject properties from resulting in the recognition of built-in gain to the specific common unitholders, which include members of the Mack Group (which includes William L. Mack, Chairman of the Company's Board of Directors; David S. Mack, director; and Earle I. Mack, a former director), the Robert Martin Group (which includes Robert F. Weinberg, a former director and current member of the Company's Advisory Board), and the Cali Group (which includes John R. Cali, a former director and current member of the Company's Advisory Board). As of December 31, 2017, 80 of the Company's properties, with an aggregate net book value of approximately \$1.0 billion, have lapsed restrictions and are subject to these conditions.

Acquisitions and Other Transactions. Certain directors and executive officers of the Company (or members of their immediate families or related trusts) and persons who hold more than 5% of the

outstanding shares of Common Stock (or Units in the Operating Partnership) had direct or indirect interests in certain transactions involving the Company, the Operating Partnership or their affiliates in the last fiscal year as follows:

- William L. Mack, Chairman of the Board of Directors, David S. Mack, a director of the Company, and Earle I. Mack, a former director of the Company, are the executive officers, directors and stockholders of a corporation that leases approximately 7,034 square feet at one of the Company's office properties, which is scheduled to expire in May 2018, subject to two, three-year renewal options. The Company recognized \$187,000 in revenue under this lease for the year ended December 31, 2017, and had no accounts receivable from the corporation as of December 31, 2017.
- In 2017, William L. Mack, Nathan Gantcher, David S. Mack, Alan G. Philibosian, Irvin D. Reid and Vincent Tese earned deemed stock dividends, calculated based upon the number of deferred stock units owned by each director as of the record date for each quarterly dividend earned in 2017, in the amounts of 581.221, 1,119.788, 873.189, 643.963, 847.434, and 1,330.417, respectively, pursuant to the Director's Deferred Compensation Plan, whereby each non-employee director is entitled to defer all or a specified portion of the annual compensation to be paid to such director. See "Compensation of Directors—Directors' Deferred Compensation Plan" herein below.

Policies and Procedures. The Company has a written policy with respect to the review, approval and ratification of related person transactions. This policy applies to any transaction, arrangement or relationship (including any indebtedness or guarantee of indebtedness), or any series of similar transactions, arrangements or relationships, in which (i) the Company is a participant and (ii) any "related person" (defined as an employee, director, director nominee, an executive officer or someone who owns more than 5% of our common shares, or an immediate family member of any of the foregoing persons, with certain exceptions) has or will have a direct or indirect interest. Under the policy, the Company's General Counsel will determine whether a transaction meets the definition of a related person transaction that will require review by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will review all related person transactions referred to them and, based on the relevant facts and circumstances, will decide whether or not to approve such transactions. Only those transactions that are in, or are not inconsistent with, the best interests of the Company and its stockholders will be approved. If the Company becomes aware of an existing related person transaction that was not approved under this policy, the matter will be referred to the Nominating and Corporate Governance Committee and it will evaluate all options available, including ratification, amendment or termination of the transaction.

The Company has determined that, under the policy, the following types of transactions will be deemed to be pre-approved: (i) employment of an executive officer if the related compensation is required to be reported in the Company's proxy statement; (ii) employment of an executive officer if he or she is not an immediate family member of another executive officer or director of the Company, the related compensation would have been reported in the Company's proxy statement if he or she was a "named executive officer" and the Company's Executive Compensation and Option Committee approved (or recommended that the Board approve) such compensation; (iii) compensation paid to a director if the compensation is required to be reported in the Company's proxy statement; (iv) any transaction where the related person's interest arises solely from the ownership of the Company's Common Stock and all holders of the Company's Common Stock received the same benefit on a *pro rata* basis; (v) any transaction in which the rates or charges incurred are subject to governmental regulation; and (vi) any transaction involving bank depository of funds, transfer agent, registrar, trustee under a trust indenture or similar services.

Under the policy, the General Counsel's determination of whether a transaction meets the definition of a related person transaction is based upon his assessment of the transaction under Item 404 of Regulation S-K without regard to the amounts involved. The Company's policy provides that any related person transaction referred to the Nominating and Corporate Governance Committee for consideration is evaluated based on all of the relevant facts and circumstances available, including (if applicable) but not limited to: (i) the benefits to the Company; (ii) the impact on a director's independence in the event the related person is a director, an immediate family member of a director or an entity in which a director is a partner, shareholder or executive officer; (iii) the availability of other sources for comparable products or services; (iv) the terms of the transaction; and (v) the terms available to unrelated third parties or to employees generally.

The policy prohibits a director from participating in any review, consideration or approval of any related person transaction with respect to which the director or any of his or her immediate family members is the related person. The policy also provides that the only transactions that may be approved are those transactions that are in, or are not inconsistent with, the best interests of the Company and its stockholders.

Independence of the Board of Directors

The Board of Directors has adopted the NYSE's standards for determining the independence of its members and believes that it interprets these requirements conservatively. In applying these standards, the Board of Directors considers commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships, among others, in assessing the independence of directors, and must disclose any basis for determining that a relationship is not material. The Board of Directors has determined that seven of ten of its current members, namely Alan S. Bernikow, Nathan Gantcher, Kenneth M. Duberstein, Alan G. Philibosian, Irvin D. Reid, Rebecca Robertson and Vincent Tese, are independent directors within the meaning of such NYSE independence standards in terms of independence from management. In making this determination, the Board of Directors did not exclude from consideration as immaterial any relationship potentially compromising the independence of any of the above directors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act, requires the Company's executive officers, directors and persons who beneficially own more than 10% of the Company's Common Stock to file initial reports of ownership and reports of changes of ownership (Forms 3, 4 and 5) of the Common Stock with the SEC and the NYSE. Executive officers, directors and greater than 10% holders are required by SEC regulations to furnish the Company with copies of such forms that they file.

To the Company's knowledge, based solely on the Company's review of the copies of such reports received by the Company, the Company believes that for the fiscal year 2017, its executive officers, directors and greater than 10% beneficial owners complied with all Section 16(a) filing requirements applicable to such persons.

Board of Directors—Governance Matters

During 2017, the entire Board of Directors met six (6) times and acted by unanimous written consent three (3) times. In 2017, no director attended fewer than 75% of the total number of meetings of the Board of Directors and all committees of the Board of Directors on which he or she served. The Company does not have a formal policy regarding attendance by members of the Board of Directors at the annual meetings of stockholders, but the Company strongly encourages all members of the Board of Directors to attend its annual meetings and expects such attendance except in the event of exigent

circumstances. All of the members of the Board of Directors at the time of the 2017 annual meeting of stockholders (the "2017 Annual Meeting") were in attendance at the 2017 Annual Meeting.

Currently, the Company has separated the roles of Chief Executive Officer and Chairman of the Board. The Company believes that at this time the separation of these roles permits the Chairman of the Board to focus on oversight of the Company's long-term corporate development goals while the Chief Executive Officer focuses on the strategic direction of the Company and oversees the day to day performance of the other executive officers in executing the Company's business plan. In addition, in March 2014, the Board of Directors appointed Alan S. Bernikow as its Lead Independent Director. The Lead Independent Director acts as a liaison between the Chairman of the Board and the independent directors and advises the Chairman of the Board with respect to the quality, quantity and timeliness of the flow of information from management as necessary for the independent directors to perform their duties effectively and responsibly, including requesting that certain material be included in materials prepared for the Board of Directors, approving agendas for meetings of the Board of Directors, and ensuring that there is sufficient time for discussion of all agenda items at meetings of the Board of Directors. Stockholders may contact the Lead Independent Director as further described below under the heading "Stockholder Communications," and if requested by significant stockholders, the Lead Independent Director shall be available for consultation. The Board of Directors believes that its Lead Independent Director structure, including the duties and responsibilities described above, provides the same independent leadership, oversight, and benefits for the company and the Board of Directors that would be provided by an independent Chairman of the Board.

The Lead Independent Director also shall preside at all meeting of the Board of Directors at which the Chairman of the Board is not present and all Executive Sessions of the Board of Directors consisting only of non-management directors. Such Executive Sessions will be held at least once per year, periodically as determined by the non-management directors, and will typically occur immediately following the regularly scheduled quarterly meetings of the Board of Directors, or at any other time and place as the Lead Independent Director or non-management directors may determine. Interested parties may submit matters for consideration to the non-management directors by utilizing the procedures identified under "Stockholder Communications" in this Proxy Statement. During 2017, the non-management directors met in Executive Session four (4) times.

Pursuant to authority vested in the Audit Committee of the Board of Directors pursuant to its charter, the Audit Committee is responsible for overseeing the Company's financial risk exposure and the Company's risk assessment and risk management policies and procedures. The Audit Committee discharges its risk oversight responsibilities as part of its quarterly reviews of the Company's quarterly and annual financial statements by discussing with management, the Company's independent auditors and outside legal counsel the Company's risk profile, its financial risk exposure and its risk mitigation policies and procedures. In addition, the Executive Compensation and Option Committee, in consultation with the independent compensation consultant to the Executive Compensation and Option Committee, conducted an annual risk assessment of the Company's compensation programs as described under "Compensation Risk Assessment" in this Proxy Statement. The Company does not believe that the performance of these oversight functions by these committees has any effect on the leadership structure of the Board of Directors.

In December 2009, the Board of Directors adopted equity ownership guidelines that require each non-employee director to own an aggregate of \$200,000 of shares of Common Stock of the Company, units of limited partnership interest of Mack-Cali Realty, L.P. redeemable for shares of Common Stock of the Company or units under the Company's Deferred Compensation Plan for Directors as of and from the later to occur of (i) January 1, 2013, or (ii) to the extent a director was not a director as of the date the equity ownership guidelines were adopted, the three year anniversary of the date the director is elected to the Board of Directors. In March 2016, the Board of Directors increased the equity ownership guidelines to five (5) times the annual cash retainer paid to directors, currently \$325,000. All directors of the Company are in compliance with the equity ownership guidelines for directors, including Ms. Robertson who qualifies on the basis of being within the three year transition period from her initial appointment to the Board of Directors in September 2016.

In March 2012, the Board of Directors, on the recommendation of its Nominating and Corporate Governance Committee, adopted a retirement policy for directors. Pursuant to this policy, the Board of Directors has amended the Company's Corporate Governance Principles to provide that a director may neither stand nor be nominated for re-election to the Board of Directors after attaining the age of 80. The Board of Directors proactively considers the overall size and composition of the Board of Directors and reviews and monitors management development and succession planning activities. The Chief Executive Officer regularly presents management's perspective on business objectives and discusses their perspective on the Company's deep pool of talented employees and succession planning for the Company.

The Board of Directors believes that continued growth of stockholder value in a socially responsible manner is consistent with the Company's overall strategy to continue to enhance the Company's reputation as a property manager of choice and promotes an environmental strategy that supports "green" building initiatives. The Environmental Protection Agency (the "EPA") encourages companies to reduce greenhouse gas emissions and conserve energy through what is now a voluntary program, Energy Star. In 1999, the EPA introduced its national energy performance rating systems for buildings. The program provides assessment tools to help building managers achieve greater energy efficiency and realize associated cost savings. The Company has been an Energy Star partner since the inception of the program in 1999. As such, the Company is required to, among other things, further track and benchmark its energy performance and broaden its plan to reduce energy intensity across its properties by following the energy management strategy available through Energy Star.

The Board of Directors also has adopted a policy that provides that executive officers, employees, and directors may not acquire securities issued by the Company or any of its affiliates using borrowed funds, may not use margin in respect of securities issued by the Company or any of its affiliates, may not pledge securities issued by the Company or any of its affiliates as collateral, and may not engage in hedging or other transactions with respect to their ownership of securities issued by the Company or its affiliates, each of which the Board of Directors believes would be inconsistent with the purposes and intent of the stock ownership guidelines applicable to directors and the Chief Executive Officer.

In accordance with Rule 10A-3 of the Exchange Act, the Audit Committee provides for employees to contact the audit committee in writing or by telephone, on a confidential, anonymous basis, to submit concerns regarding questionable accounting or auditing matters, and the Audit Committee has policies and procedures, subject to the Company's internal controls, for the retention, and treatment of complaints.

Meetings of Committees of the Board of Directors

The Board of Directors has three committees: the Audit Committee, the Executive Compensation and Option Committee, and the Nominating and Corporate Governance Committee.

Audit Committee. The Company has an Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee consists of Alan S. Bernikow, chairman, Nathan Gantcher, Irvin D. Reid and Rebecca Robertson. The Audit Committee authorizes and approves the engagement of the Company's independent registered public accountants, reviews with the Company's independent registered public accountants the scope and results of the audit engagement, approves or establishes pre-approval policies for all professional audit and permissible non-audit services provided by the Company's independent registered public accountants, considers the range of audit and non-audit fees, and reviews the adequacy of the Company's internal control over financial reporting, disclosure controls and procedures and internal audit function. The Audit Committee also assists the Board of Directors in overseeing (1) the integrity of the Company's financial statements, (2) the Company's compliance with legal and regulatory requirements, (3) the quarterly evaluation of the performance of the internal audit functions performed by the Company's internal auditors, (4) the Company's independent registered public accounting firm's qualifications and independence, and (5) the performance of the Company's independent registered public accountants. See "Report of the Audit Committee of the Board of Directors" below. The Board of Directors has determined that each of the members of the Audit Committee is an "independent" director within the meaning of the NYSE Independence Standards and Rule 10A-3 promulgated by the SEC under the Exchange Act. The Board of Directors also has determined that each of Alan S. Bernikow, Nathan Gantcher, Irvin D. Reid and Rebecca Robertson satisfies applicable financial literacy standards of the NYSE, and that Alan S. Bernikow qualifies as an Audit Committee Financial Expert under applicable SEC Rules. In addition to serving on the Audit Committee, Mr. Bernikow currently serves as a member of the audit committee of three other public companies. The Board of Directors has determined that Mr. Bernikow's simultaneous service on the audit committees of these other public companies will not impair his ability to effectively serve on the Company's Audit Committee and fulfill his duties as its chairman. The Audit Committee met four (4) times during 2017.

Executive Compensation and Option Committee. The Executive Compensation and Option Committee consists of Nathan Gantcher, chairman, Kenneth M. Duberstein, Alan G. Philibosian and Vincent Tese. The Executive Compensation and Option Committee is responsible for implementing the Company's compensation philosophies and objectives, establishing remuneration levels for executive officers of the Company and implementing the Company's incentive programs, including the Company's stock option and incentive plans. The Board of Directors has determined that each of the members of the Executive Compensation and Option Committee is an "independent" director within the meaning of the NYSE Independence Standards, Rule 10C-1 promulgated by the SEC under the Exchange Act, and meets the "outside director" requirements of Section 162(m) of the Internal Revenue Code, as amended (the "Code"), and is a "non-employee" director under Rule 16b-3 under Section 16 of the Exchange Act. The Executive Compensation and Option Committee met five (5) times in 2017.

Pursuant to its charter, the primary purposes of the Executive Compensation and Option Committee are (i) to assist the Board of Directors in discharging its responsibilities in respect of compensation of the Company's executive officers; and (ii) to review and administer the Company's compensation and benefit programs. In addition, pursuant to its charter, the Executive Compensation and Option Committee is responsible for establishing and reviewing annual and long term corporate goals and objectives relevant to compensation of the Company's executive officers in light of performance goals and objectives. The Executive Compensation and Option Committee has sole authority to determine and approve the compensation levels of the executive officers. Except for the delegation of authority to the Chief Executive Officer to grant certain de minimis equity compensation awards to non-executive employees of the Company, the Executive Compensation and Option Committee has not delegated, and does not delegate, any of its responsibilities to any other person. The manner in which the committee discharges its responsibilities is described under the heading "Compensation Discussion & Analysis" below.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee consists of Vincent Tese, chairman, Kenneth M. Duberstein, Alan G. Philibosian and Irvin D. Reid. The Board of Directors has determined that each of the members of the Nominating and Corporate Governance Committee is an "independent" director within the meaning of the NYSE Independence Standards. The Nominating and Corporate Governance Committee met two (2) times in 2017.

The Nominating and Corporate Governance Committee identifies individuals qualified to become members of the Board of Directors and recommends to the Board of Directors the slate of directors to be nominated at the Annual Meeting. The Nominating and Corporate Governance Committee will consider recommendations for nominees for directorships submitted by stockholders, provided that the Nominating and Corporate Governance Committee will not entertain stockholder nominations from stockholders who do not meet the eligibility criteria for submission of stockholder proposals under SEC Rule 14a-8 of Regulation 14A under the Exchange Act. Stockholders may submit written recommendations for Nominating and Corporate Governance Committee appointments or recommendations for nominees to the Board of Directors, together with appropriate biographical information and qualifications of such nominees, to the Company's General Counsel following the same procedures as described in "Stockholder Communications" in this Proxy Statement. In order for the Nominating and Corporate Governance Committee to consider a nominee for directorship submitted by a stockholder, such recommendation must be received by the General Counsel by the time period set forth in the Company's most recent proxy statement for the submission of stockholder proposals under SEC Rule 14a-8 of Regulation 14A under the Exchange Act. The General Counsel shall then deliver any such communications to the Chairman of the Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee analyzes, on an annual basis, Board member skills and attributes, and recommends to the Board of Directors appropriate individuals for nomination as Board members. Based on the Company's strategic plan, the Nominating and Corporate Governance Committee developed a skills matrix to assist it in considering the appropriate balance of experience, skills and attributes required of a director and to be represented on the Board as a whole. The skills matrix is periodically reviewed and updated by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee evaluates potential Board candidates against the skills matrix.

The skills matrix has two sections—a list of core criteria that every member of the Board should meet and a list of skills and attributes desired to be represented collectively on the Board. The skills matrix reflects the following core director criteria that should be satisfied by each director or nominee:

- Service on no more than six other public company boards;
- High integrity and ethical standards;
- Standing and reputation in the individual's field;
- Risk oversight ability with respect to the particular skills of the individual director;
- Understanding of and experience with complex public companies or like organizations; and
- Ability to work collegially and collaboratively with other directors and management.

The skills matrix reflects the following skills and attributes desired to be represented collectively on the Board as a whole:

- Independence under the Company's Standards for Director Independence and NYSE listing requirements, subject to waiver based on the Nominating and Corporate Governance Committee's business judgment;

- Corporate governance expertise;
- Financial expertise;
- Commercial real estate industry expertise;
- Diversity;
- Legal expertise;
- Capital markets expertise;
- Political/land use/environmental policy expertise; and
- Technology/business process expertise.

Our Nominating and Corporate Governance Committee strives to maintain a balance of tenure on the Board of Directors. Long-serving directors bring valuable experience with our company and familiarity with the challenges it has faced over the years, while newer directors bring fresh perspective and new ideas.

Although the Nominating and Corporate Governance Committee does not have a formal diversity policy, it endeavors to comprise the Board of Directors and its committees of members with a broad mix of professional and personal backgrounds. Thus, the Nominating and Corporate Governance Committee accords some weight to the individual professional background and experience of each director. Further, in considering nominations, the Nominating and Corporate Governance Committee takes into account how a candidate's professional background would fit into the mix of experiences represented by the then-current Board of Directors. When evaluating a nominee's overall qualifications, the Nominating and Corporate Governance Committee does not assign specific weights to particular criteria, and no particular criterion is necessarily required of all prospective nominees. In addition to the aforementioned criteria, when evaluating a director for re-nomination to the Board of Directors, the Nominating and Corporate Governance Committee will also consider the director's history of attendance at board and committee meetings, the director's preparation for and participation in such meetings, and the director's tenure as a member of the Board of Directors.

In September 2016, the Board of Directors was expanded from eight to nine members by adding Ms. Rebecca Robertson to the Board of Directors. In addition, in 2016 the Board of Directors rotated the membership of all three of its committees, including the chairs of the Executive Compensation and Option Committee and the Nominating and Corporate Governance Committee to enhance the diversity of experience on these committees. In March 2018, the Board of Directors was expanded from nine to ten members by adding Mr. Michael J. DeMarco.

Available Information

The Board of Directors has adopted written charters for the Audit Committee, the Executive Compensation and Option Committee, and the Nominating and Corporate Governance Committee. The Company makes available free of charge on or through its internet website items related to corporate governance matters, including, among other things, the Company's corporate governance principles, charters of the various committees of the Board of Directors, and the Company's code of business conduct and ethics applicable to all employees, officers and directors. The Company's internet website is www.mack-cali.com. The Company intends to disclose on its internet website any amendments to or waivers from its code of business conduct and ethics as well as any amendments to its corporate governance principles or the charters of the various committees of the Board of Directors. Any stockholder also may obtain copies of these documents, free of charge, by sending a request in writing to: Mack-Cali Realty Corporation, Investor Relations Department, Harborside 3, 210 Hudson Street, Ste. 400, Jersey City, New Jersey 07311.

Stockholder Communications

All stockholder communications must (i) be addressed to the General Counsel of the Company, Mack-Cali Realty Corporation, Harborside 3, 210 Hudson Street, Ste. 400, Jersey City, New Jersey 07311 or at the General Counsel's internet e-mail address at generalcounsel@mack-cali.com; (ii) be in writing either in print or electronic format; (iii) be signed by the stockholder sending the communication; (iv) indicate whether the communication is intended for a specific director(s), the entire Board of Directors, the Nominating and Corporate Governance Committee, the Lead Independent Director, or all non-management directors; (v) if the communication relates to a stockholder proposal or director nominee, identify the number of shares held by the stockholder, the length of time such shares have been held, and the stockholder's intention to hold or dispose of such shares, provided that the Board of Directors and the Nominating and Corporate Governance Committee will not entertain stockholder proposals or stockholder nominations from stockholders who do not meet the eligibility and procedural criteria for submission of shareholder proposals under either SEC Rule 14a-8 of Regulation 14A under the Exchange Act or the advanced notice provisions of our bylaws; and (vi) if the communication relates to a director nominee being recommended by the stockholder, must include appropriate biographical information of the candidate. See "Submission of Stockholder Proposals."

Upon receipt of a stockholder communication that is compliant with the requirements identified above, the General Counsel shall promptly deliver such communication to the appropriate board or committee member(s) identified by the stockholder as the intended recipient of such communication by forwarding the communication to either the Chairman of the Board of Directors with a copy to the Chief Executive Officer, the Chairman of the Nominating and Corporate Governance Committee, or the Lead Independent Director or all non-management directors, as the case may be.

The General Counsel may, in his sole discretion and acting in good faith, provide copies of any such stockholder communication to any one or more directors and executive officers of the Company, except that in processing any stockholder communication addressed to the Lead Independent Director or the Executive Sessions of non-management directors, the General Counsel may not copy any member of management in forwarding such communication to the Lead Independent Director.

Stockholder Outreach and Ability to Amend Bylaws

In late 2017 and early 2018, management communicated with several of the Company's largest institutional stockholders to seek feedback on the Company's corporate governance policies and procedures. As a result of this stockholder outreach, the Board of Directors adopted Second Amended and Restated Bylaws of the Company and further amendments thereto, which amend the Company's previous bylaws to generally allow a stockholder to propose amendments to the Company's bylaws for approval by the stockholders at an annual or special meeting of the stockholders. Amendments to the Company's bylaws must be submitted in compliance with the Company's policies and procedures for stockholder communications, and are subject to approval by the stockholders by the affirmative vote of a majority of all votes entitled to be cast by the stockholders on the matter. See "Stockholder Communications" and "Submission of Stockholder Proposals."

Policies Relating to the Election of Directors

Elections of the Board of Directors are conducted in accordance with the Company's Charter, bylaws and the laws of the state of Maryland and provide that directors are to be elected at a meeting of the Company's stockholders by a majority of the votes cast in an uncontested election and by a plurality of votes cast in a contested election. Under the Company's bylaws and Corporate Governance Principles, if in any uncontested election of directors, a director nominee does not receive a majority of votes cast "for" his or her election, such director nominee shall promptly tender his or her resignation

for consideration by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will then promptly evaluate all relevant factors relating to the election results, including, but not limited to: (i) the underlying reasons why a majority of affirmative votes was not received (if ascertainable); (ii) the director's background, experience and qualifications; (iii) the director's length of service on the Board of Directors and contributions to the Company; and (iv) whether the director's service on the Board of Directors is consistent with applicable regulatory requirements, listing standards, the Company's Corporate Governance Principles and the corporate governance guidelines of independent voting advisory services such as Institutional Shareholder Services.

Subject to any applicable legal or regulatory requirements, the Nominating and Corporate Governance Committee shall, within ninety (90) days from the date of the stockholder vote, decide whether to accept the resignation, reject the resignation or, if appropriate, conditionally reject the resignation and retain the director in office only if the underlying causes of the votes cast "against" the director can be promptly and completely cured. A full explanation of the Nominating and Corporate Governance Committee's decision will be promptly publicly disclosed in a periodic or current report filed with the Securities and Exchange Commission. Any director who tenders his or her resignation pursuant to this principle and any non-independent director will not participate in the deliberations and decisions made hereunder. In addition, a director shall tender his or her resignation for consideration by the Nominating and Corporate Governance Committee if such director's principal occupation or business association changes substantially during his or her tenure as a director.

Report of the Audit Committee of the Board of Directors

The Audit Committee of the Board of Directors, on behalf of the Board of Directors, serves as an independent and objective party to monitor and provide general oversight of the Company's financial accounting and reporting process, selection of critical accounting policies, system of internal control, internal audit function, audit process for monitoring compliance with laws and regulations and the Company's standards of business conduct. The Audit Committee performs these oversight responsibilities in accordance with its charter.

The Company's management has primary responsibility for preparing the Company's financial statements and the Company's financial reporting process, including its system of internal control over financial reporting. COMPENSATION DISCUSSION AND ANALYSIS

Our Strategic Transformation

The Company is pursuing a comprehensive strategic initiative (the "Strategic Plan") which includes the following strategic objectives:

- Reduce expenses;
- Exit non-core assets;
- Transition a portion of the Company's property portfolio from almost exclusively commercial office properties to a mix of office properties and multi-family residential properties; and
- Develop and acquire multi-family residential properties in core areas for the Company, including but not limited to the New Jersey waterfront area.

The Company's Strategic Plan represents a major step in the transformation of the Company's portfolio. The Company believes that the opportunity to invest in multi-family development properties at higher returns on cost will position the Company to potentially produce higher levels of net operating income than if the Company were to purchase only stabilized multi-family properties at market returns. However, the Company anticipates that income from its multi-family properties will increase slowly over time as its development projects underway are placed in service. The Company continued to implement the Strategic Plan throughout 2017.

2017 Business Highlights

During 2017, the Company continued its further progress toward the strategic objectives set forth in the Strategic Plan. Specifically, the Company executed on the following key accomplishments:

- Contracted to sell 87 non-core properties, two ground leases and two land parcels equating to a total of approximately \$929.5 million of non-core assets;
- Improved the composition of the Company's portfolio by increasing the percentage of residential, waterfront and class A office assets in the portfolio while reducing the percentage of suburban office and flex property assets;
- Delivered 1,162 multi-family units in 2017, 96.7% of which were leased as of December 31, 2017;
- Increased the Roseland ownership interest in multi-family residential assets from 50.54% in 2016 to 67.29%, with only 542 remaining residential units in which Roseland has a minority interest; and
- Continued the development of the Company's core assets, with 10,957 residential units in development at December 31, 2017.

Stockholder Say-on-Pay Advisory Vote

In 2017, we sought a stockholder say-on-pay advisory vote regarding executive compensation, and approximately 97.8% of the votes cast were in favor of our executive compensation. The Compensation Committee viewed this 97.8% stockholder approval as being strongly supportive of the actions undertaken by the Compensation Committee in 2016 and 2017. The Compensation Committee believes its compensation actions in 2017 aligned the Company's executive compensation plans with stockholder

expectations. We currently intend to continue to seek an annual stockholder say-on-pay advisory vote regarding executive compensation.

Executive Compensation Highlights

- Attracting, motivating and retaining key talent;
- Tying compensation to the achievement of key short- and long-term objectives, including the Strategic Plan;
- The Company's TSR, Core FFO per share, Adjusted FFO per share, disposition volume, and multi-family residential leasing occupancy in 2017;

Factors Guiding Compensation Decisions

- Stockholder feedback;
- General market pay and governance practices;
- Aligning management's interests with those of stockholders; and
- Mitigating compensation risk.

Summary of 2017 Program for Mr. DeMarco, our Chief Executive Officer

- Total compensation opportunities targeted at levels that are generally comparable to target total compensation levels for the chief executive officer of the Peer Group REITs (as defined below in the Compensation Discussion & Analysis under the heading "Process for Determining Compensation");
- 80% of the annual cash incentive plan award based on pre-determined Company performance objectives, which align compensation with key annual financial and strategic goals (e.g., earnings, strategic acquisitions/dispositions and leasing);
- 75% of target long-term equity incentive awards allocated to performance-based long-term incentive plan ("LTIP") Units, tied to both absolute and relative TSR performance;
- Performance-based LTIP awards granted under a multi-year, outperformance plan (the "2017 OPP"), under which the full awards will only be earned if, over the three-year performance period, the Company achieves a thirty-six percent (36%) absolute TSR and if the Company is at or above the 75th percentile of TSR versus the equity office REITs in the NAREIT Equity Office Index. Fifty percent of earned awards are subject to an additional two year ratable service-vesting period; and
- Time-Based LTIP awards that cliff vest at the end of 3 years.

The Compensation Committee believes that the Company's overall executive compensation program incorporates many compensation elements that are considered best practices, including:

- All of the Company's equity compensation plans prohibit the repricing of underwater options and do not contain any evergreen features;
- No current equity compensation agreements or awards for any executive officers provide for tax gross-up payments;
- Executive perquisites are limited to vehicle allowances in de minimis amounts;
- There are no minimum or guaranteed bonus or cash incentive plan amounts for any executive officers;
- All severance arrangements with the Company's current executive officers pursuant to their respective employment, severance or LTIP Unit award agreements, as applicable, provide reasonable severance benefits, and require a double-trigger for payouts of severance and acceleration of equity in the event of a change of control;
- Employees, officers and directors are prohibited from engaging in any margin, hedging, or pledging activities in respect of the Company's securities; and
- Equity ownership guidelines for the Chief Executive Officer require that he owns at least 250,000 equity securities of the Company, which he currently satisfies.

In addition, the Compensation Committee and the Board of Directors have committed to adopt, promptly upon effectiveness of final SEC and NYSE rules under Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, a clawback policy for executive officers.

Compensation Consultant

Role of the Compensation Consultant. In 2017, the Compensation Committee retained FW Cook as its independent Compensation Consultant. The Compensation Committee retains its compensation consultant to assist with structuring the Company's various compensation programs and determining appropriate levels of salary, annual cash incentive plan and other compensatory awards payable to the Company's executive officers and key employees. In 2017, FW Cook assisted on all relevant matters, including assisting with respect to: (i) assessing the Company's and management's performance relative to the Peer Group REITs; (ii) market ranges for salaries, annual cash incentive and long-term incentive compensation opportunities; (iii) compensation and governance practices relative to ISS and Glass Lewis policy guidelines; and (iv) structuring annual and long-term incentive compensation plans for management.

Determination of Compensation Consultant's Objectivity. The Compensation Committee recognizes that it is essential to receive objective advice from its outside compensation consultant. FW Cook was engaged by the Compensation Committee to act as an independent outside consultant to the Compensation Committee. The Compensation Committee closely examines the safeguards and steps that FW Cook takes to ensure that its executive compensation consulting services are objective. The Compensation Committee takes into consideration that:

- The Compensation Committee hired and has the authority to terminate the engagement of its consultants for executive compensation related services;
- A compensation consultant is engaged by and reports directly to the Compensation Committee for all executive compensation services; and
- A compensation consultant has direct access to members of the Compensation Committee during and between meetings.

FW Cook performed only executive, board and other compensation-related services for the Compensation Committee, and did not perform, directly or indirectly through an affiliate, any other services for the Company in 2017. Based on a consideration of factors deemed relevant to the Compensation Committee regarding FW Cook, including without limitation the independence factors specified in Section 303A.05 of the NYSE Listed Company Manual, including the nature of the services provided, the amount of the compensation consultant's fees, its policies and procedures to prevent conflicts of interest, its business or personal relationships with our directors and executive officers, and its stock ownership in us, the Compensation Committee concluded that FW Cook is independent and that the work that they perform for the Compensation Committee has not raised any conflict of interest.

Process for Determining Compensation

For its competitive analysis to assist the Committee in developing pay opportunities for 2017, FW Cook used a peer group consisting of the following fourteen office and diversified REITs: Brandywine Realty Trust, Columbia Property Trust, Corporate Office Properties Trust, Inc., Cousins Properties, Douglas Emmett, Inc., Empire State Realty Trust, Equity Commonwealth, Gramercy Property Trust, Highwoods Properties, Inc., Hudson Pacific Properties, Lexington Realty Trust, Paramount Group, Inc., Piedmont Office Realty Trust, and Washington REIT (collectively, the "Peer Group REITs"). The Compensation Committee used this competitive analysis to evaluate the competitiveness of base salary, target annual cash incentive plan award, equity awards and target total compensation opportunities for the named executive officers, including the assessment of individual components of compensation. The Compensation Committee did not target a specific percentile of the Peer Group REITs for any compensation determinations but used the compensation data from Peer Group REITs as a factor in determining the appropriateness of compensation amounts generally.

The Compensation Committee, with assistance from the Compensation Consultant, and based upon the recommendations of the Chief Executive Officer with respect to the other named executive officers, determines the appropriate combination of cash and equity-based compensation to pay to the Company's executives and establishes performance metrics for annual cash incentive plan awards in consideration of its primary objectives with respect to executive compensation. In determining the appropriate mix of such compensation and the appropriate amounts of any discretionary components, the Compensation Committee considers the Compensation Consultant's competitive analyses of the Company's overall compensation arrangements. The Chief Executive Officer is responsible for the strategic direction and long-term planning for the Company and oversees the day to day performance of the other named executive officers. As such, the Compensation Committee believes that the input of the Chief Executive Officer is necessary information for it to evaluate the performance of the other named executive officers and make recommendations for their compensation packages. The Chief Executive Officer does not participate in the Compensation Committee's determination of his own compensation.

The performance of the Company's named executive officers was evaluated at the end of 2017 (in the first quarter of 2018 after all financial information relative to the 2017 performance metrics for the annual cash incentive plan awards had been determined based on the Company's annual report on Form 10-K for the year ended December 31, 2017 and management's final report with respect to properties contracted to be disposed of during 2017) by the Compensation Committee with assistance from the Compensation Consultant to determine performance relative to the 2017 performance metrics for the annual cash incentive plan awards.

Components of Compensation in 2017

For 2017, the Company's executive compensation program consisted of the following elements: (1) annual base salary; (2) annual cash incentive plan award; and (3) awards of performance-based and service-based LTIP Units of the Operating Partnership.

The allocation of each component of compensation was determined by the Compensation Committee, based upon its review of the Peer Group REIT data compiled by its Compensation Consultant and input from the current Chief Executive Officer with respect to the other named executive officers. Pursuant to the authority vested in the Compensation Committee set forth in its charter, it has complete discretion with respect to the compensation of the named executive officers.

Base Salaries. Base salaries are the fixed component of total compensation, and are established at levels the Compensation Committee deems appropriate for the function each executive officer performs. Base salaries are reviewed annually and with assistance from the Compensation Consultant and may be adjusted upward by the Compensation Committee from time to time. The table below sets forth the base salaries for the named executive officers in 2016 and the 2017 base salaries approved by the Compensation Committee in March 2017:

<u>Executive Officer</u>	<u>2016 Base Salary</u>	<u>2017 Base Salary</u>
Michael J. DeMarco	\$ 750,000	\$ 800,000
Marshall B. Tycher	\$ 750,000	\$ 800,000
Mitchell E. Rudin	\$ 750,000	\$ 800,000
Anthony Krug	\$ 500,000	\$ 500,000
Christopher DeLorenzo	\$ 450,000	\$ 500,000
Robert Andrew Marshall	\$ 450,000	\$ 450,000

Annual Cash Incentive Plan Compensation. The Company's policy of awarding annual cash incentive plan awards is designed to specifically relate executive pay to Company and individual performance and to provide financial rewards for the achievement of substantive Company objectives.

The Compensation Committee adopted and the Board of Directors approved an annual cash incentive plan for the named executive officers for 2017, which was designed to directly support the Company's short-term goals in furtherance of the Strategic Plan.

For 2017, the Compensation Committee established annual cash incentive award opportunities for each named executive officer as a percentage of base salary (which awards, in the case of Messrs. DeMarco, Tycher, Rudin and Marshall were fixed by the terms of their respective employment agreements), as follows:

<u>Executive</u>	<u>Threshold</u>	<u>Target</u>	<u>Maximum</u>
Michael J. DeMarco	50%	125%	200%
Marshall B. Tycher	50%	125%	200%
Mitchell E. Rudin	50%	75%	100%
Anthony Krug	50%	75%	100%
Christopher DeLorenzo	50%	75%	100%
Robert Andrew Marshall	50%	75%	100%

The determination of 2017 annual cash incentive plan awards for the named executive officers was based 80% on Company performance measures and 20% on the Compensation Committee's

assessment of individual performance. The 2017 Company performance measures approved by the Compensation Committee and ratified and adopted by the Board of Directors were as follows:

Metric	Weight	Threshold	Target	Maximum
Core Funds From Operations (FFO) per Share(1)	20%	\$ 2.25	\$ 2.30	\$ 2.40
Adjusted FFO per Share(2)	20%	\$ 1.40	\$ 1.45	\$ 1.50
Disposition Volume	20%	\$ 700,000,000	\$ 750,000,000	\$ 800,000,000
Roseland Leasing of Inventory(3)	20%	50.0%	60.0%	70.0%
Discretionary (Individual Performance)	20%	Determined for each individual		

- (1) Core FFO is defined as FFO, as adjusted for items that may distort the comparative measurement of the Company's performance over time.
- (2) Adjusted FFO is defined as Core FFO less (i) tenant improvements, leasing commissions and capital expenditures, (ii) straight-line rents and amortization of acquired below-market leases, and (iii) other non-cash, income, plus (iv) other non-cash charges.
- (3) Year-end percentage leased of available inventory on March 1, 2017.

In March 2018, after the filing of the Company's annual report on Form 10-K for the year-ended December 31, 2017, the Compensation Committee assessed the performance of the named executive officers in 2017 relative to the above 2017 performance measures for the Company and made the following determination:

Core FFO per share was \$2.23 per share, falling \$0.02 below threshold performance.

Adjusted FFO per share for 2017 was \$1.57 per share, exceeding the maximum performance goal by \$0.07 per share.

In 2017, the Company contracted to dispose of approximately \$929.5 million in assets, including approximately \$630.2 million of sales that closed in 2017 and approximately \$231.9 million of sales that closed in the first quarter of 2018. The Compensation Committee determined to measure the achievement of the Disposition Volume performance measure based on the total of approximately \$862.1 million of properties that were under contract (or binding term sheet) for sale by December 31, 2017 and that closed in 2017 or in the first quarter of 2018. Accordingly, the maximum performance goal for this performance measure was exceeded by approximately \$62.1 million.

Lastly, the Roseland leasing of inventory in 2017 was approximately 97%, exceeding the maximum performance goal by approximately 27%.

The discretionary component of the 2017 performance awards were determined by the Compensation Committee based on the Committee's assessment of each executive's achievements in 2017 and contribution to the progress made in furthering the Company's long-term business strategy. The total 2017 cash incentive plan payouts for each of the named executive officers were as follows:

Executive Officer	2017 Bonus
Michael J. DeMarco	\$ 1,160,000
Marshall B. Tycher	\$ 1,160,000
Mitchell E. Rudin	\$ 480,000
Anthony Krug	\$ 375,000
Christopher DeLorenzo	\$ 375,000
Robert Andrew Marshall	\$ 337,500

Long-Term Incentives. The Company utilizes long-term incentive compensation in the form of service-based and performance-based equity awards to focus executives on the long-term performance of the Company, retain key executives, to align their interests with those of our stockholders, and to promote the success and enhance the value of the Company. The Compensation Committee, together with the Compensation Consultant, designed the long-term incentives for the named executive officers to be strongly tied to objective, quantifiable long-term performance metrics in line with current trends and recognized corporate governance "best practices."

In April 2017, the Compensation Committee adopted and the Board of Directors approved the grant of long-term incentive plan ("LTIP") awards to the management teams of the Company and Roseland, including all of the Company's executive officers (the "2017 LTIP Awards"). The design of the program was similar to the design of the LTIP Awards granted to the management team of the Company in 2016. All of the 2017 LTIP Awards were in the form of LTIP Units and were made under the Company's stockholder approved 2013 Stock Incentive Plan.

As with the 2016 equity awards, the Compensation Committee determined to award a significant portion of the 2017 LTIP Awards in the form of performance-based awards, pursuant to the 2017 Outperformance Plan adopted by the Company's Board of Directors, consisting of a multi-year, performance-based equity compensation plan and related forms of award agreements (the "2017 OPP"), to better align executive and stockholder interests by tying executive performance to TSR. For Messrs. DeMarco, Tycher and Rudin, approximately seventy-five percent (75%) of the 2017 LTIP Awards were in the form of a performance-based award (the "2017 PBV LTIP Units") under the 2017 OPP. The remaining approximately twenty-five percent (25%) of the 2017 LTIP Awards for Messrs. DeMarco, Tycher and Rudin were in the form of a time-based award that will cliff vest after three years on April 4, 2020 (the "2017 TBV LTIP Units"). For all other executive officers, approximately sixty percent (60%) of the 2017 LTIP Awards were in the form of 2017 PBV LTIP Units and approximately forty percent (40%) of the 2017 LTIP Awards were in the form of 2017 TBV LTIP Units.

The 2017 OPP is designed to align the interests of senior management to relative and absolute performance of the Company over a three-year performance period from April 4, 2017 through April 3, 2020. The senior management team that received 2017 LTIP Awards includes all eight of the Company's executive officers in 2017, including all of the named executive officers, and twelve additional senior vice presidents of the Company and Roseland. Participants in the 2017 OPP will only earn the full awards if, over the three-year performance period, the Company achieves a thirty-six percent (36%) absolute total stockholder return ("TSR") and if the Company is in the 75th percentile of TSR performance versus the equity office REITs in the NAREIT Equity Office Index.

Participants in the 2017 OPP, including the Company's executive officers and the management teams of the Company and Roseland, have the opportunity to vest in 2017 PBV LTIP Units that ultimately may be settled in common stock of the Company according to the following schedules, with linear interpolation for performance between levels:

Performance Level	Absolute TSR (50% of total 2017 PBV LTIP Units)		Relative TSR (50% of total 2017 PBV LTIP Units)	
	Company Absolute 3-Year TSR	Payout as % of LTIP Units	CLI 3-Year TSR Percentile Rank	Payout as % of LTIP Units
< Threshold	< 18%	0%	< 35 th Percentile	0%
Threshold	18%	25%	35 th Percentile	25%
Target	27%	62.5%	55 th Percentile	62.5%
Maximum	36%	100%	75 th Percentile	100%

If the designated performance objectives are achieved, 2017 PBV LTIP Units are also subject to subsequent time-based vesting requirements, with 50% of earned 2017 PBV LTIP Units vesting at the end of the performance period on April 3, 2020, and the remaining 50% of earned 2017 PBV LTIP Units vesting 25% each on April 3, 2021 and April 3, 2022.

The named executive officers of the Company received the following 2017 LTIP Awards:

<u>Executive Officer</u>	<u>2017 TBV LTIP Units(1)</u>	<u>2017 Maximum PBV LTIP Units(2)</u>
Michael J. DeMarco	32,443	196,482
Marshall B. Tycher	20,393	123,503
Mitchell E. Rudin	9,270	56,138
Anthony Krug	5,933	17,964
Christopher DeLorenzo	5,933	17,964
Robert Andrew Marshall	4,449	13,473

- (1) Calculated based on the grant date fair value of \$26.97, the closing price of the Company's common stock as reported on the New York Stock Exchange on April 3, 2017.
- (2) Calculated based on the grant date fair value of \$13.36, calculated using the Monte Carlo method, disregarding for this purpose the estimate of forfeitures related to time-based vesting conditions.

LTIP Units were issued on April 4, 2017, but will remain subject to forfeiture depending on the extent that the 2017 LTIP Awards vest. The number of LTIP Units to be issued initially to recipients of the 2017 PBV LTIP Awards is the maximum number of LTIP Units that may be earned under the awards. The number of LTIP Units that actually vest for each award recipient will be determined at the end of the performance measurement period. TSR for the Company and for the Index over the three-year measurement period and other circumstances will determine how many LTIP Units vest for each recipient; if they are fewer than the number issued initially, the balance will be forfeited as of the performance measurement date.

Prior to vesting, recipients of LTIP Units will be entitled to receive per unit distributions equal to one-tenth (10%) of the regular quarterly distributions payable on a common unit of limited partnership interest in the Operating Partnership (a "Common Unit"), but will not be entitled to receive any special distributions. Distributions with respect to the other nine-tenths (90%) of regular quarterly distributions payable on a Common Unit will accrue but shall only become payable upon vesting of the LTIP Unit. After vesting of the 2017 TBV LTIP Units or the end of the measurement period for the 2017 PBV LTIP Units, the number of LTIP Units, both vested and unvested, will be entitled to receive distributions in an amount per unit equal to distributions, both regular and special, payable on a Common Unit.

LTIP Units are designed to qualify as "profits interests" in the Operating Partnership for federal income tax purposes. As a general matter, the profits interests characteristics of the LTIP Units mean that initially they will not be economically equivalent in value to a Common Unit. If and when events specified by applicable tax regulations occur, LTIP Units can over time increase in value up to the point where they are equivalent to Common Units on a one-for-one basis. After LTIP Units are fully vested, and to the extent the special tax rules applicable to profits interests have allowed them to become equivalent in value to Common Units, LTIP Units may be converted on a one-for-one basis into Common Units. Common Units in turn have a one-for-one relationship in value with shares of the Company's common stock, and are redeemable on a one-for-one basis for cash or, at the election of the Company, shares of the Company's common stock.

The 2017 LTIP Awards granted to Messrs. DeMarco and Rudin are in lieu of, and shall supersede and replace, the long-term incentive plan awards for calendar year 2017 contemplated by paragraph 4(b) of each of their respective employment agreements with the Company.

Severance and Change-in-Control Payments. Each of our named executive officers for 2017 was subject to an employment or severance agreement with the Company except for Mr. DeLorenzo. These agreements provide for certain severance benefits in the event of termination of their employment in certain circumstances. These benefits are commonly offered among peer companies, and therefore enable us to attract and retain key talent. In particular, they ensure the retention of our named executive officers when considering potential transactions which may create uncertainty as to their continued employment. The employment agreements of Messrs. DeMarco, Tycher, Rudin and Marshall, and the severance agreement of Mr. Krug, provide for severance payments in the event of involuntary termination without cause or constructive termination for good reason and double trigger severance benefits in the event of a change in control that are generally 1.5 times the sum of annual base salary and bonus for Messrs. DeMarco, Tycher, Rudin, Krug and Marshall. See "Executive Compensation—Employment Contracts; Potential Payments Upon Termination or Change in Control" for a summary of the terms and conditions of the severance provisions in the employment agreements of Messrs. DeMarco, Rudin, Tycher and Marshall and the severance agreement of Mr. Krug.

On January 26, 2018, the Company entered into a separation agreement and release with Mr. Krug, pursuant to which Mr. Krug ceased to serve as chief financial officer of the Company after the filing of the Company's annual report on Form 10-K on February 21, 2018 and terminated his employment with the Company on March 31, 2018. Also on January 26, 2018, the Company entered into a separation agreement and release with Mr. DeLorenzo, pursuant to which Mr. DeLorenzo's employment with the Company was terminated on January 26, 2018.

Benefits and Other Compensation

401(k) Savings Plan. The Company maintains a tax-qualified defined contribution plan for the benefit of all its eligible employees, including the named executive officers. The provisions and features of the plan apply to all participants in the plan, including the named executive officers. Eligible employees may elect to defer from one percent up to 60 percent of their annual compensation on a pre-tax basis to the 401(k) Plan, subject to certain limitations imposed by federal law. The amounts contributed by employees are immediately vested and non-forfeitable. The Company may make discretionary matching or profit sharing contributions to the 401(k) Plan on behalf of eligible participants in any plan year. Participants are always 100 percent vested in their pre-tax contributions and will begin vesting in any matching or profit sharing contributions made on their behalf after two years of service with the Company at a rate of 20 percent per year, becoming 100 percent vested after a total of six years of service with the Company. All contributions are allocated as a percentage of compensation of the eligible participants for the Plan year. The assets of the 401(k) Plan are held in trust and a separate account is established for each participant. A participant may receive a distribution of his or her vested account balance in the 401(k) Plan in a single sum or in installment payments upon his or her termination of service with the Company. In 2017, there were \$1,055,000 in discretionary matching or profit sharing contributions made by the Company to the plan on behalf of all employees, including \$48,600 on behalf of the named executive officers.

Other Compensation. The Company offers limited perquisites to certain of its executive officers in the form of vehicle allowances. See note 3 under "Executive Compensation—Summary Compensation Table." The Company does not offer qualified or non-qualified defined benefit plans to its executive officers or employees, nor does it offer non-qualified defined contribution plans.

Equity Ownership Guidelines

The Company has Equity Ownership Guidelines for the Chief Executive Officer. The Compensation Committee believes the Equity Ownership Guidelines further align the interests of the Chief Executive Officer with stockholder value and requires each executive to own an aggregate of 250,000 shares of the Company's Common Stock ("Shares") or any derivatives that may be settled in shares of the Company's common stock ("Derivatives"), in any combination of Shares or Derivatives as determined in the sole discretion of the executive. The Chief Executive Officer currently satisfies these ownership guidelines.

Anti-Hedging/Anti-Pledging Policy

The Board of Directors has adopted a policy that provides that executive officers, employees, and directors may not acquire securities issued by the Company or any of its affiliates using borrowed funds, may not use margin in respect of securities issued by the Company or any of its affiliates, may not pledge securities issued by the Company or any of its affiliates as collateral, and may not engage in hedging or other transactions with respect to their ownership of securities issued by the Company or its affiliates, each of which the Board of Directors believes would be inconsistent with the purposes and intent of the stock ownership guidelines applicable to directors and the Chief Executive Officer.

Compensation Risk Assessment

In setting compensation, the Compensation Committee considers the risks to our stockholders and to achievement of our goals that may be inherent in our compensation programs. At the direction of the Compensation Committee, we conducted a risk assessment of our compensation programs, including our executive compensation programs. The Compensation Committee reviewed and discussed the findings of this assessment and concluded that our compensation programs are designed with the appropriate balance of risk and reward in relation to our overall business strategy and do not incent employees to take unnecessary or excessive risks. Although a significant portion of our executive's compensation is performance-based and "at-risk," we believe our executive compensation plans are appropriately structured and are not reasonably likely to result in a material adverse effect on the Company. We considered the following elements of our executive compensation plans and policies when evaluating whether such plans and policies encourage our executives to take unreasonable risks:

- We set performance criteria that we believe are reasonable in light of past performance and market conditions, and we use a variety of performance metrics that we believe correlate to long-term creation of stockholder value and that are affected by management decisions;
- Our executive compensation program includes an appropriate balance of fixed versus variable pay, cash versus equity, and short-term versus long-term incentive compensation elements.
- We provide a significant portion of long-term incentive compensation in the form of LTIP Units. The amounts ultimately earned under the awards are tied to how we perform over a three year measurement period based on attainment of absolute and relative TSR performance, which focuses management on sustaining our long-term performance;
- Assuming achievement of at least a minimum level of performance, payouts under our performance-based awards have a range of payout opportunity and may result in some compensation at levels below full target achievement, rather than an "all-or-nothing" approach; and
- The Compensation Committee considers non-financial and other qualitative performance factors in determining actual compensation payouts.

In sum, we believe our executive compensation program is structured so that (i) we maintain a conservative risk profile that and aims to achieve strong stockholder returns and long-term results; (ii) we avoid the type of disproportionately large short-term incentives that could encourage executives to take risks that may not be in our long-term interests; (iii) we provide incentives to manage for long-term performance; and (iv) a considerable amount of wealth of our executives is tied to our long-term success. We believe this combination of factors encourages our executives to manage the Company in a prudent manner. The Compensation Committee specifically considered compensation risk implications during its deliberations on annual cash incentive plan awards and performance metrics for all executive officers.

- (1) Represents LTIP Unit awards subject to performance-based vesting conditions. The grant date fair value of \$13.36 per LTIP Unit was calculated using the Monte Carlo method, disregarding for this purpose the estimate of forfeitures related to time-based vesting conditions, and is consistent with the estimate of aggregate compensation cost to be recognized over the service period determined in accordance with ASC 718 in accordance with instruction 8 to Item 402(d) of Regulation S-K. The LTIP Units subject to performance-based vesting may vest after the end of the three year performance period ending April 3, 2020, with 50 percent of the LTIP Units vesting based on the achievement of absolute total stockholder return and 50 percent of the LTIP Units vesting based on the achievement of total stockholder return relative to the equity office REITs in the NAREIT Equity Office Index. See "Compensation Discussion and Analysis—Components of Compensation in 2017—Long-Term Incentives."
- (2) Represents LTIP Unit awards subject to time-based vesting conditions with a grant date fair value per Unit of \$26.97, the closing price of the Company's common stock as reported on the New York Stock Exchange on April 3, 2017, disregarding for this purpose the estimate of forfeitures related to time-based vesting conditions. The LTIP Units subject to time-based vesting shall vest after three years on April 4, 2020. See "Compensation Discussion and Analysis—Components of Compensation in 2017—Long-Term Incentives."

On April 4, 2017, the Company granted LTIP awards to senior management of the Company, including the Company's executive officers (the "2017 LTIP Awards"). All of the 2017 LTIP Awards were in the form of LTIP Units and constitute awards under the 2013 Plan. For Messrs. DeMarco, Tycher and Rudin, approximately seventy-five percent (75%) of the 2017 LTIP Awards were in the form of a performance-based award (the "2017 PBV LTIP Units") under the Company's Outperformance Plan (the "2017 OPP") adopted by the Company's Board of Directors, consisting of a multi-year, performance-based equity compensation plan and related forms of award agreement. The remaining approximately twenty-five percent (25%) of the 2017 LTIP Awards for Messrs. DeMarco, Tycher and Rudin were in the form of a time-based award that will cliff vest after three years on April 4, 2020 (the "2017 TBV LTIP Units"). For all other executive officers, approximately sixty percent (60%) of the 2017 LTIP Awards were in the form of 2017 PBV LTIP Units and approximately forty percent (40%) of the 2017 LTIP Awards were in the form of 2017 TBV LTIP Units.

The 2017 OPP is designed to align the interests of senior management to relative and absolute performance of the Company over a three-year performance period from April 4, 2017 through April 3, 2020. Participants in the 2017 OPP will only earn the full awards if, over the three-year performance

period, the Company achieves a thirty-six percent (36%) absolute TSR and if the Company is in the 75th percentile of TSR performance as compared to the NAREIT office index.

If the designated performance objectives are achieved, 2017 PBV LTIP Units are also subject to time-based vesting requirements, with 50% of earned 2017 PBV LTIP Units vesting at the end of the performance period on April 3, 2020, and the remaining 50% of earned 2017 PBV LTIP Units vesting 25% each on April 3, 2021 and April 3, 2022.

LTIP Units will remain subject to forfeiture depending on the extent that the 2017 LTIP Awards vest. The number of LTIP Units to be issued initially to recipients of the 2017 PBV LTIP Awards is the maximum number of LTIP Units that may be earned under the awards. The number of LTIP Units that actually vest for each award recipient will be determined at the end of the performance measurement period. TSR for the Company and for the Index over the three-year measurement period and other circumstances will determine how many LTIP Units vest for each recipient; if they are fewer than the number issued initially, the balance will be forfeited as of the performance measurement date.

Prior to vesting, recipients of LTIP Units will be entitled to receive per unit distributions equal to one-tenth (10 percent) of the regular quarterly distributions payable on a common unit of limited partnership interest in the Operating Partnership (a "common unit"), but will not be entitled to receive any special distributions. Distributions with respect to the other nine-tenths (90 percent) of regular quarterly distributions payable on a common unit will accrue but shall only become payable upon vesting of the LTIP Unit. After vesting of the 2017 TBV LTIP Units or the end of the measurement period for 2017 PBV LTIP Units, the number of LTIP Units, both vested and unvested, will be entitled to receive distributions in an amount per unit equal to distributions, both regular and special, payable on a common unit.

Employment Contracts; Potential Payments Upon Termination or Change in Control

The following discussion includes descriptions of the material terms of employment agreements between the Company and Messrs. DeMarco, Tycher, Rudin and Marshall and separation agreements and releases between the Company and Messrs. Krug and DeLorenzo.

Michael J. DeMarco Employment Agreement. On June 5, 2015, the Company entered into an employment agreement with Mr. DeMarco (the "DeMarco Employment Agreement"), which provides for certain severance payments to Mr. DeMarco, or his beneficiaries upon death, disability, termination by the Company without cause, termination by the executive for good reason during the term of his employment or within two years of a change in control.

Under the DeMarco Employment Agreement:

- (i) "cause" is defined as:
 - (a) willful and continued failure to use best efforts to substantially perform his duties to the Company (other than any such failure resulting from incapacity due to physical or mental illness) for a period of thirty (30) days after written demand for substantial performance is delivered by the Company specifically identifying the manner in which the Company believes the executive has not substantially performed his duties;
 - (b) material and continued failure to comply with obligations under any agreement between the executive and the Company or any policy of the Company for a period of thirty (30) days after written demand for substantial compliance is delivered by the Company specifically identifying the manner in which the Company believes the executive has not substantially complied;

- (c) any act of fraud, embezzlement, misappropriation, or misuse of the assets or property of the Company, including any corporate opportunity; or
- (d) a conviction of or plea of "guilty" or "no contest" to a felony under the laws of the United States or any state thereof.

For purposes of the definition of "cause" under the DeMarco Employment Agreement, no act, or failure to act, on his part shall be considered "willful" unless done, or omitted to be done, by him (I) not in good faith and (II) without reasonable belief that his action or omission was in furtherance of the interests of the Company.

- (ii) "disability" is defined as the inability of executive, as a result of any medically determinable physical or mental disease, injury, or congenital condition, to substantially perform his principal duties to the Company, with or without reasonable accommodation, for a continuous period of one hundred and eighty (180) days, or periods aggregating two hundred and seventy (270) days in any twelve (12) month period.
- (iii) "good reason" is defined to mean the occurrence of any of the following circumstances without the express written consent of the executive:
 - (a) the material diminishment of his authority, duties or responsibilities it being understood that during a change in control period (as defined below), good reason shall be deemed to have occurred for Mr. DeMarco if he is not the chief executive officer for the ultimate parent following a change in control;
 - (b) a material reduction in base salary;
 - (c) a material change in the geographic location at which the executive must perform the services under the DeMarco Employment Agreement; or
 - (d) the failure of the Company to obtain agreement from any successor to assume and agree to perform the DeMarco Employment Agreement.
- (iv) "change in control" is defined as the occurrence of any of the following events:
 - (a) any "person" or "group" of persons, as such terms are used in Sections 13 and 14 of the Exchange Act, other than the Company, any of its subsidiaries, or any employee benefit plan sponsored by the Company or any of its subsidiaries, becomes the "beneficial owner" (as such term is defined in Rule 13d-3 under the Exchange Act) of 30% or more of the issued and outstanding capital stock of the Company immediately prior to such acquisition;
 - (b) any shares of capital stock of the Company are purchased pursuant to a tender or exchange offer, other than an offer by the Company, that results in any "person" or "group" of persons, as such terms are used in Sections 13 and 14 of the Exchange Act becoming the "beneficial owner" (as such term is defined in Rule 13d-3 under the Exchange Act) of 30% or more of the shares of capital stock of the Company issued and outstanding immediately prior to such tender or exchange offer; or
 - (c) the dissolution or liquidation of the Company or the consummation of any merger or consolidation of the Company or any sale or other disposition of all or substantially all of its assets, if the shareholders of the Company immediately prior to such transaction own, immediately after consummation of such transaction, equity securities (other than options and other rights to acquire equity securities) possessing less than 30% of the voting power of the surviving or acquiring corporation.

- (v) "change in control period" means the period commencing on the earlier of (i) the date that a Change in Control occurs or (ii) the date that the Company enters into a definitive agreement with respect to a transaction, the consummation of which would constitute a Change in Control (provided it is actually consummated), and in either case ending on the second anniversary of the Change in Control.

Under the terms of the DeMarco Employment Agreement, upon a termination on account of death or disability, Mr. DeMarco, or his respective beneficiaries in the case of death, will receive a lump sum payment consisting of accrued and unpaid base salary, expense reimbursement and benefits under the Company's health and welfare plans through the termination date, plus a prorated portion of the annual bonus payable for the year of such termination, and accelerated vesting of all equity grants with the vesting of PSUs awards only accelerated based on performance as of the termination date.

Upon a termination without "cause" or by Mr. DeMarco for "good reason" during the term of the DeMarco Employment Agreement or thereafter during a "change in control period", subject to the departing executive signing a release, the departing executive will be entitled to the same benefits in the event of a termination due to death or disability, plus a lump sum cash payment equal to one and one-half (1.5) times the sum of (i) the executive's annual base salary immediately prior to the termination date, and (ii) the executive's target bonus for the year during which termination occurs; provided, however, that any such termination that occurs during the term of the DeMarco Employment Agreement but not during a "change in control period", then the long-term incentive awards (other than those granted at inception of the DeMarco Employment Agreement, which shall vest in full) which are subject to time-vesting shall vest on a pro rata basis based on the number of days of the executive's employment during the applicable annual vesting period through the termination date.

Marshall B. Tycher Employment Agreement. On April 26, 2017, the Company, through its wholly-owned subsidiary Roseland Residential Trust, entered into an employment agreement with Mr. Tycher (the "Tycher Employment Agreement"), which replaced Mr. Tycher's previous employment agreement dated October 23, 2012. The Tycher Employment Agreement provides for certain severance payments to Mr. Tycher, or his beneficiaries upon death, disability, termination by the Company without cause, termination by the executive for good reason during the term of his employment or within two years of a change in control. Under the Tycher Employment Agreement, the terms "cause," "disability," "good reason," "change in control" and "change in control period" are substantially the same as defined in the DeMarco Employment Agreement.

Under the terms of the Tycher Employment Agreement, upon a termination on account of death or disability, Mr. Tycher, or his beneficiaries in the case of death, will receive a lump sum payment consisting of accrued and unpaid base salary, expense reimbursement and benefits under the Company's health and welfare plans through the termination date, any earned but unpaid annual bonus for the previous year, plus a prorated portion of the annual bonus payable for the year of such termination. Upon a termination by the Company without "cause" or by Mr. Tycher for "good reason" during the term of the Tycher Employment Agreement or thereafter during a "change in control period," Mr. Tycher will be entitled to the same benefits as in the event of a termination due to death or disability, plus a lump sum cash payment equal to one and one-half (1.5) times the sum of (i) his annual base salary immediately prior to the termination date, and (ii) his target bonus for the year during which termination occurs.

Under the terms of the Tycher Employment Agreement, any time on or after July 1, 2018, Mr. Tycher may elect to step down as Chairman of Roseland and continue as non-executive chairman for a reduced salary of \$400,000 annually (the "Transition"), provided that any such Transition will not trigger any severance benefits payable under the Tycher Employment Agreement.

Mitchell E. Rudin Employment Agreement. On June 5, 2015, the Company entered into an employment agreement with Mr. Rudin (the "Rudin Employment Agreement"), which contains

substantially the same terms as the DeMarco Employment Agreement described above, except for the differences set forth in the Rudin Employment Amendment (as defined below). Under the Rudin Employment Agreement, as amended, the terms "cause," "disability," "good reason," "change in control" and "change in control period" are substantially the same as defined in the DeMarco Employment Agreement. On April 4, 2017, the Company and Mr. Rudin entered into an amendment (the "Rudin Employment Amendment") to the Rudin Employment Agreement. The Rudin Employment Amendment modifies the terms of Mr. Rudin's Employment Agreement as follows:

- A target annual bonus opportunity of seventy-five percent (75%) of his then effective base salary, with a threshold bonus opportunity of fifty percent (50%), and a maximum bonus opportunity of one hundred percent (100%), to be based on objective performance goals to be established annually by the Compensation Committee;
- Upon a termination without "cause" or by Mr. Rudin for "good reason" during the term of the Employment Agreement, all long-term incentive plan awards of Mr. Rudin, including restricted stock units and performance share units issued pursuant to the Rudin Employment Agreement and the LTIP Units in the Operating Partnership issued on March 8, 2016, shall vest in full, with performance-based awards vesting based on performance measured as of the date of such termination;
- A provision limiting the geographic scope of the restrictive covenant not to compete with the Company in the Rudin Employment Agreement to Hudson County, New Jersey; and
- Reimbursement of all reasonable legal fees incurred by Mr. Rudin in connection with the Rudin Employment Amendment.

Robert Andrew Marshall Employment Agreement. On April 15, 2016, the Company, through its wholly-owned subsidiary Roseland Residential Trust, entered into an employment agreement with Mr. Marshall (the "Marshall Employment Agreement"), which provides for certain severance payments to Mr. Marshall, or his beneficiaries upon death, disability, termination by the Company without cause, termination by the executive for good reason during the term of his employment or within two years of a change in control. Under the Marshall Employment Agreement, the terms "cause," "disability," "good reason," "change in control" and "change in control period" are substantially the same as defined in the DeMarco Employment Agreement. Upon a termination on account of death or disability, Mr. Marshall, or his beneficiaries in the case of death, will receive a lump sum payment consisting of accrued and unpaid base salary, expense reimbursement and benefits under the Company's health and welfare plans through the termination date, plus a prorated portion of the annual bonus payable for the year of such termination. Upon a termination by the Company without "cause" or by Mr. Marshall for "good reason" during the term of the Marshall Employment Agreement or thereafter during a "change in control period," Mr. Marshall will be entitled to the same benefits as in the event of a termination due to death or disability, plus a lump sum cash payment equal to one and one-half (1.5) times the sum of (i) his annual base salary immediately prior to the termination date, and (ii) his target bonus for the year during which termination occurs.

CEO Pay Ratio

Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act") and Item 402(u) of Regulation S-K promulgated by the SEC thereunder requires the Company to disclose the median of the annual total compensation of all employees, excluding the chief executive officer, and the ratio of the median of the annual total compensation of all employees to the annual total compensation of the chief executive officer. We identified the median employee using our employee population on December 31, 2017 and based on each employee's total compensation, using the same elements of compensation reportable in the Summary Compensation Table for Named Executive Officers as the "consistently applied compensation measure" under Item 402(u) of Regulation S-K. We did not perform adjustments to the compensation paid to part-time employees to calculate what they would have been paid on a full-time basis. We did not make any assumptions, adjustments, or estimates other than annualizing the compensation for any permanent (full-time or part-time) employees that were not employed by us for all of 2017. We then calculated the 2017 total compensation for the median employee using the same methodology used to identify such employee.

In 2017, the total compensation of our median employee, excluding the chief executive officer, as calculated using Summary Compensation Table requirements, was \$72,825.22; the chief executive officer's total compensation was \$5,459,888, as reported in the Summary Compensation Table; and the

ratio of the chief executive officer's total compensation for 2017 to the 2017 total compensation for the median employee was 75:1.

See Note 14: Mack-Cali Realty Corporation Stockholders' Equity and Mack-Cali Realty, L.P.'s Partners' Capital- Deferred Stock Compensation Plan For Directors in the Company's Annual Report on Form 10-K.
- (2) Includes 95,801 shares of unvested restricted common stock, 800,000 unexercised options, 13,376 unvested restricted stock units (RSUs), including unvested dividend equivalents thereon, and 120,384 unvested performance share units (PSUs), including unvested dividend equivalents thereon.
- (3) Weighted average exercise price of outstanding options; excludes restricted common stock, RSUs, PSUs and LTIP units.
- (4) The Directors' Deferred Compensation Plan does not limit the number of stock units issuable thereunder, but applicable SEC and NYSE rules restricted the aggregate number of stock units issuable thereunder to one percent (1%) of the General Partner's outstanding shares when the plan commenced on January 1, 1999.

COMPENSATION OF DIRECTORS

Directors' Fees. In 2017, each non-employee director was paid an annual fee of \$65,000, plus \$1,500 for attendance at, or telephonic participation in, any board or committee meeting. The Chairmen of each of the Audit Committee, the Executive Committee, the Nominating and Corporate Governance Committee and the Compensation Committee were paid an additional annual fee of \$15,000 in 2017, and the Lead Independent Director was paid an additional annual fee of \$40,000 in 2017. Each director also was reimbursed for expenses incurred in attending board and committee meetings. For fiscal year 2017, the Company's non-employee directors received directors' fees or fee equivalents (see "Compensation of Directors—Directors' Deferred Compensation Plan" below) in the amounts set forth in the table below.

Directors' Deferred Compensation Plan. Pursuant to the Amended and Restated Directors' Deferred Compensation Plan, originally effective as of January 1, 1999 (the "Directors' Deferred Compensation Plan"), each non-employee director is entitled to defer all or a specified portion of the annual fee to be paid to such director. The account of a director who elects to defer such

compensation under the Directors' Deferred Compensation Plan is credited with the hypothetical number of stock units, calculated to the nearest thousandths of a unit, determined by dividing the amount of cash compensation deferred on the quarterly deferral date by the closing market price of the Common Stock on such quarterly deferral date. Any stock dividend declared by the Company on Common Stock results in a proportionate increase in units in the director's account as if such director held shares of Common Stock equal to the number of units in such director's account. Payment of a director's account may only be made in a lump sum in shares of Common Stock equal to the number of units in a director's account after either the director's service on the Board of Directors has terminated or there has been a change in control of the Company. On December 9, 2008, the Directors' Deferred Compensation Plan was amended and restated to conform to the requirements of Section 409A of the Code. In 2017, Nathan Gantcher, David S. Mack, Alan G. Philibosian and Vincent Tese elected to receive a portion of their respective cash fees earned in 2017 in the form of deferred stock units under the Directors' Deferred Compensation Plan.

Directors' Stock Incentive Plans. The Company has one equity compensation plan pursuant to which equity compensation awards to non-employee members of the Board of Directors may be made: the 2013 Plan. On June 9, 2017, each non-employee member of the Board of Directors was granted shares of restricted Common Stock with an approximate grant-date fair value of \$90,000 under the 2013 Plan. These restricted shares will vest on June 9, 2018.

PROPOSAL NO. 2
NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

The following proposal gives our stockholders the opportunity to vote to approve or not approve, on an advisory basis, the compensation of our named executive officers as disclosed in the "Compensation Discussion and Analysis" and "Executive Compensation" sections of this proxy statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and our compensation philosophy, policies and practices with respect to our named executive officers. We are providing this vote as required by Section 14A of the Exchange Act, which was added to the Exchange Act by Section 951 of the Dodd-Frank Act. We provide this vote annually based on an election may by our stockholders at our 2011 annual meeting of stockholders, and we will ask our stockholders to vote on the frequency of this advisory vote again at the Annual Meeting. The Board of Directors believes that the overall design and function of the Company's executive compensation program is appropriate and effective in aligning the interests of management and the Company's stockholders and that management is properly incentivized to manage the Company in a prudent manner. Accordingly, we are asking our stockholders to vote "FOR" the adoption of the following resolution:

"RESOLVED, that the stockholders advise that they approve the compensation of the named executive officers of the Company, as disclosed in the "Compensation Discussion and Analysis" and "Executive Compensation" sections of this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission (which disclosure shall include the Compensation Discussion and Analysis, the compensation tables, and any related material)."

Although the vote is non-binding, the Board of Directors and the Compensation Committee will review the voting results in connection with their ongoing evaluation of the Company's executive compensation program. Broker non-votes (as described under the "Solicitation and Voting Procedures—Voting Procedure" section on page 3 of this proxy statement) are not entitled to vote on these proposals and will not be counted in evaluating the results of such vote.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR ADVISORY APPROVAL OF THE RESOLUTION SET FORTH ABOVE.

**PROPOSAL NO. 3
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM**

PricewaterhouseCoopers LLP served as the Company's independent registered public accountants for the fiscal year ended December 31, 2017, and has been appointed by the Audit Committee to continue as the Company's independent registered public accountants for the fiscal year ending December 31, 2018. In the event that ratification of this appointment of the Company's independent registered public accountants is not approved by the affirmative vote of a majority of votes cast on the matter, then the appointment of the Company's independent registered public accountants will be reconsidered by the Audit Committee. Unless marked to the contrary, proxies received will be voted for ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accountants for the fiscal year ending December 31, 2018.

A representative of PricewaterhouseCoopers LLP is expected to be present at the Annual Meeting. The representative will have an opportunity to make a statement and will be able to respond to appropriate questions.

Your ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accountants for the fiscal year ending December 31, 2018 does not preclude the Board of Directors from terminating its engagement of PricewaterhouseCoopers LLP and retaining a new independent registered public accounting firm if it determines that such an action would be in the best interests of the Company. If the Company elects to retain a new independent registered public accounting firm, such independent registered public accountants will be another "Big 4" accounting firm.

The Company was billed for professional services rendered in 2017 by PricewaterhouseCoopers LLP, the details of which are disclosed below.

Pre-Approval Policies and Procedures

Pursuant to its charter, the Audit Committee has the sole authority to appoint or replace the Company's independent registered public accountants (subject, if applicable, to stockholder ratification). The Audit Committee is directly responsible for the compensation and oversight of the work of the Company's independent registered public accountants (including resolution of disagreements between management and the Company's independent registered public accountants regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The Company's independent registered public accountants are engaged by, and report directly to, the Audit Committee.

The Audit Committee pre-approves all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its independent registered public accountants, subject to the *de minimis* exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act and SEC Rule 2-01(c)(7)(i)(C) of Regulation S-X, all of which are approved by the Audit Committee prior to the completion of the audit. In the event

pre-approval for such auditing services and permitted non-audit services cannot be obtained as a result of inherent time constraints in the matter for which such services are required, the Chairman of the Audit Committee has been granted the authority to pre-approve such services, provided that the estimated cost of such services on each such occasion does not exceed \$125,000, and the Chairman of the Audit Committee reports for ratification such pre-approval to the Audit Committee at its next scheduled meeting. The Audit Committee has complied with the procedures set forth above, and has otherwise complied with the provisions of its charter.
